Dear Craft Fair Participant:

Resurrection Lutheran Church Craft Fair is scheduled for Saturday, October 12, 2019. It will be located in our Outreach Center Gym. You either participated in our past successful Craft Fair or indicated an interest in participating this year. As a result, we invite you to begin now to *create those special items* you wish to present for sale at this year's event.

This year's sale is planned for one day only. Doors will open to the public promptly at 9:00am and close at 2:00pm.

Attached are complete Craft Fair guidelines and a registration form. Please print these and return the registration form with your participation fee to the church office at 11575 N. First Avenue, Oro Valley, AZ 85737. We encourage you to register early to reserve your space. We have completely sold out in past years and we expect that to happen again this year. Space is reserved based upon when your registration and payment are received.

We are asking each crafter to bring a box/bag of diapers to the fair to be donated to Interfaith Community Services and Impact (Catalina Community Services) to be distributed to those less fortunate. Thank you in advance for helping others.

We will be advertising in the Arizona Daily Star, Northwest Explorer Newspapers and Craig's List.

In the meantime—it's time to get busy *creating your unique craft items!*

We look forward to sharing this exciting time with you. If you have any questions, please email Jill Kuhlmann at jkuhl101@comcast.net or phone 520-742-7360; Debbie Ohlrich at dohlri@aol.com or phone 520-360-6625; or call the church office for information at 520-575-9901.

CRAFT FAIR GUIDELINES

Our Fall Craft Fair will be held at Resurrection Lutheran Church, Oro Valley, Arizona, on Saturday, October 12, 2019, from 9:00am until 2:00pm in our Outreach Center Gym. *The Craft Fair is for the sale of “home/hand-made crafts” only and not for the sale of manufactured items/materials/services.*

As a crafter for this event, we ask that you follow a few key guidelines:

Registration and table assignment is on a **first-come basis**. Special consideration will be given to church members and frequent guests. Your table positioning will depend mainly upon your registration date. We cannot guarantee that you will have the same space you had in the past.

Crafters will have access to the premises for set-up on Friday evening, from 5 pm until 7 pm. Although the buildings will be locked following set-up on Friday evening, we will not have security guards on church premises on Friday night.

Crafters will have access to the premises on Saturday morning beginning at 7 am. **The Fair will open to the public promptly at 9:00am.** We ask that all Crafters shut down at 2:00pm (not before) and have all items (including empty boxes, trash accumulated by your participation, etc.) off the premises no later than 3:00pm. **We ask that you leave the space as you found it!**

All Crafters will be provided with one 6' x 2-1/2' table for the sale of their crafts. The tables will be pre-assigned according to order of registration and payment and will be set up and ready for use by Friday at 5pm. Chairs will also be provided. ***Crafters must provide their own table coverings and extension cords.*** Crafters who desire an Open Space rather than a table need to indicate this on their application form and will be charged the same amount for the space as if a table were requested.

After craft items, etc., are unloaded, we request that all Crafters park in the lower parking lot. This will leave room for people who visit the Fair to park in more convenient locations.

Crafters are responsible for their own payment process of crafts sold, i.e., cash, check, or credit card. There will be no change available on site. Any losses incurred are each Crafter's responsibility.

Collection/payment of appropriate taxes is the responsibility of each individual Crafter.

If you need special lighting or additional light in order to show off you product(s), please plan on bringing what you need and request electrical outlet access on the registration form.

As the Craft Fair is being held on church property and using church facilities, proper dress, attitude and carriage is expected from all participants. Smoking is not permitted inside the facilities, there is a designated smoking area by our northwest entrance and no type of alcoholic beverage is allowed on church property. We are a nut free environment.

Tell your friends and neighbors!

We look forward to your participation and a fun-filled, successful 2019 Craft Fair!
