

Participant Registration for Sermon-Discussion Group

You will be placed in a group that is closest to your home. There will be no groups meeting at church. You will be part of the decision-making process as to what day of the week or what time of day your group will meet. If, for instance your group decides to meet at night, but you do not drive after dark just tell your group host/hostess. He/she will contact the Life-Group leadership and you will be reassigned to a group that is the closest one that meets your particular need.
